/ ALL ABOUT ME

I am an excellent communicator, fast learner and hard worker. I am flexible and I work well autonomously or as part of a team.

I excel under pressure and I am able to plan and execute complex tasks to a high standard to ensure project deadlines are achieved.

I am skilled in React, Typescript and Python. I also have a keen interest in DevOps where I am comfortable with Docker, CI/CD pipelines (Github Actions, Circle CI) and Terraform.
